Recordation of transfers and other documents a Conditions for Recordation.

**Yesh Music v. Amazon**

. Preemption of State law The intention of section 301 is to preempt and abolish any rights under the common law or statutes of a State that are equivalent to copyright and that extend to works coming within the scope of the Federal copyright law. However, the issue was settled in 1998 by an amendment to the Sonny Bono Copyright Term Extension Act.

**美国版权法原文 (英文版)**

Since the present statutory language is substantially the same as the empowering language of the Constitution, a recurring question has been whether the statutory and the constitutional provisions are coextensive. The copy may be made by the library where the user makes his request or by another library pursuant to an interlibrary loan.

**Yesh Music v. Amazon**

Jukebox operators could not sustain licensing fees comparable to those paid in other countries.

**Yesh Music v. Amazon**

. . Limitation on exclusive rights: innocent infringement + 908.

## **Copyright Law of the United States of America and Related Laws Contained in Title 17 of the United States Code, Circular 92 eBook**

. Services will be able to offer consumers access to vast libraries of music through a variety of devices: computers, cell phones, portable music players such as iPods , and televisions, to name a few.

### **Prosecuting Ip Crimes Manual 2013**

The provision was a vestige of jukebox provisions in easily bills, and its requirements no longer served any useful purpose. . This gives companies a strong incentive to control the quality of their goods and services and to invest heavily in their brands.
