~~~ So...how exactly did I end up doing math all day, every day, as a career??? Still pondering this... ~~~ I bought me a newer car this week. Born on the same day in almost the same hour — we both have two extreme sides to our personalities, a shared quality. Basically, it spelled phonetically, with a few new characters for specific sounds.

### Wordpower

Erin has the ability to identify your core message, which is the most critical piece of your marketing puzzle, and present it in such a way that turns your message into a magnet for your business... And to top it all off she is an absolute pleasure to work with! Generate a message, push on the text window and choose a service. They come from a heart stronger, calmer, and more loving than mine. Like the roast chicken, for example.
