## REVIEW

But Frank's analysis of and attack on the much more complacent 1990s is thoroughly modern. In a sense, Frank is trying to revive questions that progressives such as Teddy Roosevelt, William Jennings Bryan, Woodrow Wilson, and Franklin Roosevelt asked about the fairness of a society in which the needs of the many could be ignored in favor of the needs of the few. A whole litany of statistics can be marshaled here.

## One Market Under God: Extreme Capitalism, Market Populism, and the End of ...

Thomas Frank's *One Market Under God* is an astonishingly well-written argument on behalf of American workers who have seen their jobs disappear, their benefits cut, and their incomes reduced in the name of the great global marketplace. At no other moment in American history have the values of business and the corporation been more nakedly and arrogantly in the ascendant.

**Nonfiction Book Review: One Market Under God: Extreme Capitalism, Market Populism, and the End of Economic Democracy by Thomas Frank, Author Doubleday Books \$26 (432p) ISBN 978**

For example, as an Amazon Associate, C-SPAN earns money from your qualifying purchases. One speaks as an economist when stating what the effect of strong central regulation has on foreign investment, but one speaks as a political scientist when saying that deregulation is a bad or a good thing. Real wages for the middle class have fallen, while we are experiencing a dramatic increase in the number of millionaires and billionaires.

## One Market Under God: Extreme... book by Thomas Frank

One market under god extreme capitalism market populism and the end of economic democracy by thomas frank frank seems an old fashioned socialist saturday december 1 2001 brian doherty politics socialism capitalism doubleday 2000 414 pages 2600 reviewed by brian doherty thomas frank is the hippest leftist theorist around he publishes the baffler a journal of cultural. Before about 1990, their position in society was powerful but contested - by campaigning journalists during the 19th century, by New Deal regulators during the 1930s, by unions and the young and rebellious

right up until the Reagan 1980s.
