Doing a self-assessment can help students figure out if transferring is going to work for them. Below is some additional information to help you get in touch with us.

Advice for helping first

But unlike ROTC for grad school, officer candidate school does not grant a degree.

During grad school, ROTC cadets complete the same coursework requirements as other students, with additional military training requirements. So think back to what it felt like to be brand new to your role and environment.

ROTC for Grad School

Recipients commit to four years of service in the Army. You may not know about campus support resources such as career development, a writing center or tutoring -- or, on the flip side, you might feel singled out for remedial support and feel like you are the only one being routed to tutoring. First-generation graduate students, the first in their family to attend college and then go on to graduate school, can lack understanding about the whole process of obtaining a Ph.

Advice for helping first

Officer Candidate School Both grad student ROTC recipients and cadets at officer candidate school train to become officers; however, the process differs, as do the outcomes after completing the program. Dana Bearer, Associate Director of Graduate, Transfer and Adult Admissions at Clarion University, notes that there are several things students should take into consideration when deciding whether or not to transfer, such as why they chose their program, how much time a transfer will add to their completion time and whether the issues that caused them to leave their initial program will be problematic in the future.
