## Debates, Issue 180 (February 13, 2018)

Though environmental assessment is an important step in the regulatory process, and has the potential to contribute to more just outcomes, the process is often hobbled by gaps and regulatory capture. I am the protected areas coordinator for the Cree Nation Government.

## Aboriginal Title and Alternative Cartographies · Erasmus Law Review · Erasmus Law Review

Pursuant to section 13 11 a , where the EISC has referred a proposal to the EIRB on the basis of potential impacts to wildlife harvesting, the EIRB must recommend to the relevant government authority? Land protectors are criminalized and those who grieve are isolated in their grief. I am also interim chair for the Eeyou Marine Region Planning Commission, but today I am speaking on behalf of the Cree Nation Government.

## **ATNS publications — Agreements, Treaties and Negotiated Settlements**

Acts of resistance to Site C are reinterpreted as landscape-based rituals of grief, memory, and reaffirmation of care for the river valley. He has worked in the Foundation as from August 2014.

### **The Earth Keepers Solid Waste Management Planning...**

These procedures were designed collaboratively.

### **Importance of Indigenous Knowledge in Curbing the Loss of Language and Biodiversity**

However, the MNR, were open to hearing the concerns of Essipit. These duties are supplemented to some extent by requirements under comprehensive agreements, and co-management arrangements established within or outside of the comprehensive agreement context.
