You may be asked to contribute towards the cost of meals services.

## Community Care Statistics: Supported Residents for Adults, England

We can assist with activities of daily living to ensure you or your loved one can remain at home. However, longstanding divergences in the definitions and data elements used to collect information on elder abuse make it difficult to measure elder abuse nationally, compare the problem across states, counties, and cities, and establish trends and patterns in the occurrence and experience of elder abuse.
