Public Works Division

Is A WPA Worker Required to Take A Job in Private Industry If One Is Open to Him? The PWA accomplished the electrification of rural America, the building of canals, tunnels, bridges, highways, streets, sewage systems, and housing areas, as well as hospitals, schools, and universities; every year it consumed roughly half of the concrete and a third of the steel of the entire nation.

Careers in Public Works

Box 42 Garden City, N. Box 49 Washington--Notes for a proposal to John L.

Public Works Certificate

Even Senate Majority Leader Mitch McConnell R-Ky.

Public Works

The PWA constructed the in Brooklyn, NY, one of the first public housing projects in New York City. The WPA — which ultimately employed around a third of all unemployed Americans — and other New Deal programs did produce 124,000 new bridges, 350 new airfields and more than 40,000 new public buildings, including schools, hospitals and civic centers.

Public Works

Recently in the New England storm disaster, 100,000 WPA workers were immediately mobilized and thrown into the work of rescue, relief, and restoration.

IDOA: Public Works

What is the Sponsor of a WPA Project? Box 56 Philadelphia--Address, ILO conference, 1944 April 24, 19 t.
