thought were not good in a short space of time just as I am sure you can with Australia.

What's going wrong with Australia's franchises?

I was sitting at the pedicurist, and a lady walked in and sat down. But you guys are tripping if you think American women are the worst in the world, I reckon a week of dealing with Aussie sheilas and you would be begging to go back home! Here goes... 1- UV Radiation Apparently, to protect ourselves from these dangers, those of us here in Australia have to avoid the sun, wear long sleeves and trousers, big hats, slap on the sunscreen every couple of hours and wear dark glasses.

What's wrong with Australia? School is!

Perhaps today Qantas is Ansett Mark 2 but the difference is there is still time for Qantas to reinvent itself. You cannot possibly say that the people

What's wrong with Huawei, and why are countries banning the Chinese telecommunications firm?

However, i am shocked at how degenerate heaps of aussie women are and am not surprised that men are checking out but still believe things will turn around once men get less thirsty on a large scale David 2ng gen wog chicks are as bad or even worse than their anglo counterparts. While in contrast Government officials are saying the are indicating the Aussie economy is relatively strong, thanks to the mining boom. I much prefer the UK, but I am sure I could come up with a list of things I

of Australia are rude and mean! Join us as we listen, learn and share stories from across the country, that unpack the truth telling of our history and embrace the rich culture and language of Australia's First People.

What is wrong with Qantas

I can never though get over the shock that I can buy a wide range of Aussie wine more cheaply in Tesco than I can in the big liquor stores next to Coles.... Plus the variety available is so, so much more limited.

Honestly, stop with the claims of uncontrolled violence in my country. Conclusion The Australian Economy is relatively strong when compared to other economies around the world, however the early indications show that we cannot afford to be complacent. Meeting this demand has consequences for production.

I also explained I would very likely be taking the Mickey out of what he has said and asked if he was okay with that. Law enforcement is a joke, probably always will be.

Help & support

Meals out are very expensive! It isn't NBN Co's responsibility to ensure safe driving around its nodes. I also wish love and peace to all Australians. She said she was disgusted at how things are and that its a symptom of a sick society.

Heather du Plessis

It was called the wombant or something like that. Have a wonderful Christmas, Bob BobinOz you sound like yet another misinformed arrogant bogan.
