Accountability Holds self and others accountable for measurable high-quality, timely, and cost-effective results. It is important to set clear expectations of the roles of both parties. Again this is a two-way thing and should be consistent throughout the time you work with your manager.

Executive Core Qualifications

To do that, ask yourself: Why did your customer purchase your product in the first place, and over the last quarter or so, how well have you fulfilled that need? So what should you cover in these meetings? It is in your best interest to understand their priorities and align your goals with theirs. How do you your customers?.

The Essential Guide to Quarterly Business Reviews

Decisions that are right for your enterprise are ultimately right for all stakeholders. ECQ 4: Business Acumen Definition: This core qualification involves the ability to manage human, financial, and information resources strategically. With long-term tasks, such as diary or email management, do the same thing, define exactly how they want you to manage their correspondence and calendar.
