Criminal justice touches on all aspects of our lives and in ways that most people might not think about. The poor well understand the importance of good schools in giving young people in crime- ridden neighborhoods the chance for a productive life. The training that you get in a police academy aligns really well with criminal justice, homeland security, and public administration — but especially criminal justice.

## 8.4 Explaining Crime

More recent figures indicate the illegitimate birth rate in many urban neighborhoods is a staggering 80 percent. Edited by Thorsten Sellin and Marvin E. In our blog series, Ask An Expert, National University faculty take turns answering challenging questions in their areas of expertise.

States with a lower percentage of single-parent families, on average, will have lower rates of juvenile crime. Studying criminal justice can lead to a career as a police officer, detective, probation officer, correctional officer, forensic science technician, crime scene investigator, FBI agent, fraud investigator, social worker, lawyer, DEA agent, US marshal, or many other positions within law enforcement and judicial agencies.

### **Our Criminal Society: The Social & Legal Sources of Crime in America by Edwin M. Schur**

While this link between illegitimacy and chronic welfare dependency now is better understood, policymakers also need to appreciate another strong and disturbing pattern evident in scholarly studies: the link between illegitimacy and violent crime and between the lack of parental attachment and violent crime.

### **Our Criminal Society: The Social & Legal Sources of Crime in America by Edwin M. Schur**

The chaotic, broken community stems from these chaotic, broken families.
