## Landscape of UK housing and planning statistics

**Quality assurance** We recognise the importance of building on the experience and lessons learned from the 2011 Census to ensure that the quality of the census is maintained and improved, even as introducing new content poses new challenges.

## Construction statistics, Great Britain

It will also produce census estimates for the whole population on all characteristics. We outlined our plans for the dissemination of statistical outputs from the 2021 Census to the public as part of the , which ran from February 2018 to May 2018.

## Construction statistics: sources and outputs

The landscape is made up of numerous themes, each with their own sub-themes.

## How the Office for National Statistics is ensuring the 2021 Census will serve the public

Peer to peer letting started out un-regulated. Information relating to housing statistics in Northern Ireland, previously published in Tables 12.

## Latest news

Anyone could take part in this consultation and the resulting feedback informed further research that contributed to the development and testing of proposed census questions. Affordable housing Affordable housing is a sub-theme of housebuilding.

## BAILLI

In total there are five possible types of local authority in England.
