How Asia transformed from the poorest continent in the world into a global economic powerhouse

Partners provides funding as a member of The Conversation UK.

Six Pressing Issues in Asia and How We're Adapting Our Approach to Address Them

The five-nation Neutral Nations Repatriation Commission subsequently established had India's General K. The danger is not from us who have declared solemnly that we will not be the first to use nuclear weapons, but rather it is from those who refuse to make any such commitment. Both America and Russia are extraordinarily suspicious of each other as well as of other countries.

Southeast Asia in 2019: Four Issues to Watch

But India was helpless—it had no leverage against Washington, especially since the Soviet Union was fast-fading as a serious power.

Nuclear Weapons and Conflict in South Asia

China, which has experienced dramatic rates of since the late 20th century, may be poised to achieve lower-middle-income status.
