Self

The system of constraints that you have identified with and internalized, and that regulates your development. This, in turn, causes harm. Be willing to build your spiritual power, so you have a strong body without complaint, energy to fulfill your dreams and a clear mind able to make choices in the present moment without doubt and distraction.

Whole Systems Healing

Bias or prejudice is incorrect intuition based on correlation instead of causation. This description is necessarily broad because, at its core, the course invited me to gain a deeper connection with spirit — to my own essence and to other helping spirits.

Center of Excellence for Research and Training in Integrative Health

Your ancestors lived in groups and you derived many benefits from this way of life, especially mental and emotional.
