Title 74

Some of Secretary Mitchell's advisors felt that neither the Administration's nor the Department's program went far enough, since the problems of chronic unemployment required new approaches and methods, rather than mere extension and improvement of existing programs. The debates of the decade had educated legislators, administrators and the public to the need for such a program. Effective dates a Except as otherwise provided in this section, this part shall apply in the case of plan years beginning after September 2, 1974.
