The Gruffalo is a children's classic about a cunning mouse taking a walk in the woods. Seuss, we have another classic your children will love.

## 79 Rhyming Books for Kindergarten and Preschool — My Teaching Cupboard

In appearance he looked wilder and more unkempt than ever, while the sharp, suspicious manner in which he would every now and then stop short and glance quickly all around, showed him to be nervous and ill at ease. If you teach preschool, this book is a must! But when disaster strikes and the whale is beached in a bay, it's the tiny snail's big plan that saves the day! Such a thing had not happened to me since that time when, a rebellious infant, I had been kept in bed perforce with a light attack of the measles. From one hair-raising surprise to the next, the boy explains his monster troubles to the reader.

They will have fun with the game of 'I Spy' throughout the book too. The flood of water going under the bridge was a trifle compared with the flood of words we poured out upon my bewildered parents; both of us talking at the same time, interrupting each other at every turn, explaining each other's explanations, and tumbling over each other, as it were, in our eagerness.

## Peter Rabbit: The Lost Hat A Peep

Their trail went on down the hill towards the mesa, but it was then too dark to follow it, and I was going off to take it up again next morning when that slide came down and changed my programme. Please feel free to share your recommendations in the comments below! Your beginning readers will love exploring the detailed illustrations an reading along with the predictive text.

## Tony Mitton

Though my father remonstrates with him sometimes, Tom only laughs and remarks that it is no use trying to teach old dogs new tricks; and moreover he does not see why he should not spend his money to suit himself. There was no mistaking the tall, gaunt figure, even though the light of the sunset sky behind him made him look a veritable giant. We'll hitch up the little mules and go and bring away the ore to-night.

CHAPTER XV THE BIG REUBEN VEIN But it seemed as though Joe were destined never to get to Sulphide.

### **hooray for hat Archives**

This is a gorgeous rhyming picture book about a naughty little dinosaur who loves to get dirty. A great one for introducing word families and vocabulary development. We were in time, however, to see a wall of foam flying down the canyon; a sight which, while it delighted us, at the same time gave us something of a start.
