Handbook of European Social Policy

Advance preparation for site visits is essential and involves close collaboration among OSWA staff, site visitors, and programs.

Master of Social Policy (706AA) — The University of Melbourne Handbook

The benchmark model is a systematic, incremental approach to developing a social work program and writing a comprehensive self-study. It is in this context that this Handbook brings together the work of key commentators in the field of comparative analysis in order to provide comprehensive coverage of contemporary debates and issues in cross-national social policy research.
