Religion in India: Tolerance and Segregation

Caste-based discrimination fundamentally contradicts the essential teaching of that divinity is inherent in all beings. They interpret some Biblical passages to be commandments to be heterosexually married. The counterargument to this is that man and woman are only mentioned in this way to give light to the relationship of the soul and the soul force as being one.

Science and Religion: Insights From Muslims, Hindus and Buddhists

According to Klaus Klostermaier, the term Vaidika dharma is the earliest self-designation of Hinduism. Their new year starts in spring. Princeton, NJ: Princeton University Press.

Indians Value Religious Freedom But Shy Away From Integration Amongst Faiths: Pew Research Survey

And religion is prominent in the lives of Indians regardless of their socioeconomic status.

Science and Religion: Insights From Muslims, Hindus and Buddhists

Some infer from these images that at least part of the Hindu society and religion were previously more open to variations in human sexuality than they are at present.
