## Natural fiber Research Papers

Land to the west between Belle Vue, West Street, and the southern end of Garden Street had been laid out as 24 building plots by 1851. Market Street, Silk Street, York Street, and Deansgate were laid out in 1855, and Ford Street and Bath Street were completed in 1863. He said the creation of the GNFF, with Commonwealth support, was one such effort to foster partnerships and business ventures.
