“Yankee Imperialism,” 1901

He clearly defined what the stand of the true revolutionary should be towards the conflicts between imperialist groupings.

**In Defense of Communism: Communist Party of Venezuela: Urgent call for popular mobilization against imperialist aggression
¡UNIDAD EN DEFENSA DE LA PATRIA!**

Any incident occurring in the Korean peninsula is conveniently used as a pretext for abrogating the agreement. Dubois, Haiti: The Aftershocks of History, p. With that one war, the US stopped both Sukarno and its main competitor in the area; a small participation was granted to the Dutch afterwards, in case of uprisings.

Foreign Policy

This lessens the number of capitalists because competition liquidates them.

Socialist Workers League: DEFEND SYRIA AND THE DEMOCRATIC PEOPLE’S REPUBLIC OF KOREA!

This public sector includes PDVSA, the huge state-owned oil company. In 1946 the USSR introduced in the UN proposals on peaceful coexistence between the two world social systems, on further cooperation among the powers that had joined together to win the war, on strengthening the UN above all, ensuring that all its members enjoyed equal rights, on the withdrawal of troops from the soil of nonbelligerent states and the abolition of foreign military bases, on a general reduction in armaments, and on the banning of atomic weapons. In the context of efforts to master all forms of struggle, they attach special importance to the combination of legal with illegal work, giving priority to the latter, as decisive for the overthrow of the bourgeoisie and the real guarantee of victory.

Mayday 2003 — The Struggle Against Imperialism, Wars, and Capitalism

It is the working class of the Soviet Union that defeated Hitler. By 1897—1898, American public opinion grew angrier at reports of Spanish

atrocities in Cuba.

Mayday 2003 — The Struggle Against Imperialism, Wars, and Capitalism

In the spring of 1920, Poland, urged on by Anglo-French reactionary circles, attacked Soviet Russia. Indeed these were unprecedented protests, in scale and scope.

Foreign Policy

The present crisis has also extended to political life, inciting contradictions among the ruling circles of the capitalist and revisionist states. No, because it is objectively inevitable and there is no alternative.

Enver Hoxha: Imperialism and the Revolution (1979)

Obviously, this is nothing but a dream, and the President of the Italian Senate, Amintore Fanfani, is not at all mistaken when he describes this agreement among the five parties as a collection of dreams. These two bourgeois-revisionist states intervened in Angola in order to help a capitalist clique seize power, contrary to the aims of the Angolan people who had fought to win their freedom from the Portuguese colonialists. Agostinho Neto emerged the winner from this contest, while socialism did not triumph in Angola.
