### Manuals

If there has been a series of events leading to this point, a brief chronology should be provided. An institution may not rely solely on the results of an AVM to develop an evaluation unless the resulting evaluation is consistent with safe and sound banking practices and these Guidelines.

### Manuals

**Tax Assessment Valuations TAVs** An institution may not rely solely on the data provided by local tax authorities to develop an evaluation unless the resulting evaluation is consistent with safe and sound banking practices and these Guidelines. Appraisers must be independent of the loan production and collection processes and have no direct, indirect or prospective interest, financial or otherwise, in the property or transaction.

### How to Write a Staff Report

These risk factors could include debt-to-income ratios, loan-to-value ratios, level of documentation, transaction dollar amount, or other relevant factors.

### FDIC Law, Regulations, Related Acts

An institution should be able to demonstrate that an evaluation, whether prepared by an individual or supported by an analytical method or a technological tool, provides a reliable estimate of the collateral's market value as of a stated effective date prior to the decision to enter into a transaction.
