The compiled ordinances of cities form the data necessary for a comparative study of local administration. Its usefulness will be great, reaching far beyond the four walls of the library it catalogues, as is illustrated by the printed catalogue of the Harvard Law School Library. National Committee for Mental Hygiene.

Particular care has been taken in reading the above mentioned reports to note recommendations, suggestive comment and especially the character of the tabulations. It is unnecessary where a subject catalogue is used. A municipal efficiency and reference bureau has been established by the People's Institute of New York City under the direction of Frederic C.
