## Office of the Comptroller of the Currency (OCC)

We underscore that, for all countries, public policies and the mobilization and effective use of domestic resources, underscored by the principle of national ownership, are central to our common pursuit of sustainable development, including achieving the sustainable development goals. I would like to thank the task force and MLA headquarters for helping to support this priority. This Partnership will work in a spirit of global solidarity, in particular solidarity with the poorest and with people in vulnerable situations.

Upon a proper request, the Department will grant a waiver to any state that is unable to assess its students due to the ongoing national emergency, providing relief from federally mandated testing requirements for this school year. State departments have also been responsible for developing management information systems to support the new accountability systems, which has placed a large technical demand on the agencies. To continue to build MLA's future, we require a solid foundation, in our case, our vision and mission as well as well-crafted building blocks, including our goals, objectives, and activities.
