Statement International Teams Publishers International Teams Classifications LC Classifications 1995 The Physical Object Pagination xvi, 118 p. Coming to terms with the past requires that one impose some intellectual order on the numerous, diverse, sometimes chaotic set of facts from previous times, to make connections between different trends and events and historical persons. If a colleague comes across as irrational, ridiculous, or overreacting, they become curious and carefully explore what is happening without jumping to a conclusion.
