### The Federal Civil Service System and the Problem of Bureaucracy

A reply to this defense of studying conditions and processes in the Labor market might be: given a primary interest in the ultimate outcomes of competitive forces, why should we worry about learning about the complexity of actual market processes, especially if the predictions of the simplest competitive model are consistent with market results? It also would have made it easier to hire feds based on their political affiliation.

### The Bureaucratic Labor Market : Thomas A. DiPrete : 9781489908513

This, of course, is not purely a problem of Trumpism.

### The Bureaucratic Labor Market: The Case of the Federal Civil Service von Thomas A. Diprete, Thomas A. DiPrete

Contemporary Sociology CS publishes reviews and critical discussions of recent works in sociology and in related disciplines which merit the attention of sociologists.

### How Labor Markets Work.

The proliferation of legal authorities in the current merit system has made a mess of government's performance.
