## President says Ankara's stance led to deadlock in Crans

Use it to make something cool, have fun, and share what you've learned with others. Why is Turkey exempt from the rules of international law? She considers herself blessed to have been loved that way.

## Harlequin

The Turkish Settlers The dominance of the Turkish settlers raises another important political and legal issue.

## President says Ankara's stance led to deadlock in Crans

That is unacceptable for a recognized state member of the EU, the UN, and other international organizations.

## Montana, feds deadlock on bison exodus

All but two of them knew what and where it was. Cypriot political leaders have yet to be briefed on areas of convergence, divergence, and issues that have been left unresolved in the talks. The proposed constitutional framework contains no federal supremacy clause, while the limited federal powers emanate from and depend on the consent of the two constituent states.

## Cyprus: The Crans

Danger on the mountain Montana Standoff Kidnapped and dragged into the wilderness, Sarah Langston has no idea where her brother is or why her captors want him.
