## Periods in the development of English

. I have called this font Wyld.

## Classics

Explore the most comprehensive collection of eighteenth-century books available anywhere online for scholarly research Together with Part II , Eighteenth Century Collections Online : Part I offers students and researchers access to the most comprehensive online library of eighteenth-century book titles printed in the United Kingdom. The Declaration of the Rights of Man and of the Citizen On 26 August 1789, the French National Constituent Assembly issued the Déclaration des droits de l'homme et du citoyen Declaration of the Rights of Man and the Citizen which defined individual and collective rights at the time of the French Revolution. Washington Monument, 1848-1884 The obelisk was both an Egyptian and Roman symbol of perpetuity and power.

## Periods in the development of English

The Times went from a circulation of 5,000 a day in 1815 to around 50,000 in the middle of the century. Practically there are only two presses in actual use, the Columbian and the Albion. As well as fertilising a huge trade in published books and pamphlets, scientific investigation created a buoyant industry in scientific instruments, many of which were relatively inexpensive to buy and therefore available to the general public.

## Samuel Richardson

Much of the business of government shifted toward hard-working officials like Pepys, who enjoyed the spectacle and theatre of the age but bemoaned the decadence and idleness of the restored regime. Accused by Fielding, Haywood and others of promoting the social ambitions of the serving class, Richardson invented a genteel heritage for his heroine in the sequel of the novel. The plate surface is then blackened with smoke to create a dark surface that reveals any drawn lines.

## The Heyday of the Broadside Ballad

The Founders of the United States looked to the Greco-Roman past for successful political models and emotional inspiration. The Greeks and

Romans had debated and developed the principles of justice, the rule of law, liberty, and due process.

### **London History**

As the above descriptions suggest, the lines between successful innovation, unintentional absurdity, and deliberate satire had become exceedingly ambivalent and porous.
