10 Ways To Make Your Life Better, Starting Today

Step 6 Examine your relationship with both of your parents, if they are still living. The child who was not allowed to have boundaries becomes energetically and developmentally arrested at this level with beliefs of not being safe in the world and being unworthy and unlovable. We all fake it from time to time and once in a while, this can be a good thing, but never compromise your personal values and always strive to be your best self.
