Aarhus University

This newsletter is normally published 8—9 times a year and includes a wide range of contributions — including a calendar.

Mathematics

I returned to Odense, now the University of Southern Denmark, in 1999 as lektor Associate Professor. Readership Graduate students, research mathematicians, and theoretical physicists.

AMS eBooks: Graduate Studies in Mathematics

I carried out my Master's thesis in collaboration with Danish Technological Institute examining surface coatings for cutting tools.

Research Interests

Each year more than 1000 international exchange students come to Aarhus University to study for one or two terms.

Aarhus University

This data should not be considered a completely accurate representation of the labour market and job functions for all graduates of the individual degree programmes.

Aarhus University (AU) — Study in Denmark

This board appoints the rector, deans and heads of departments instead of the students. Fearing that the same would happen to the new main

building, its completion was delayed.
