Life on the Great Plains

As Pocahontas would learn, besides bearing and rearing children, women were responsible for building the houses called yehakins by the Powhatan, which they may have owned. Horses were shot from under me, men were killed around me, but always I escaped with a trifling wound at the worst. White Settlement Part of the Making of a Great State John A.

I thought it high time to make my presence known, as with the sight of her, all my old love returned, and I forgot every thing except that I loved her. Iopassus and his wife seemed surprised; Argall declared Pocahontas was being held as ransom for the return of stolen weapons and English prisoners held by her father. They thought, as a Christian convert married to an Englishman, Pocahontas could encourage interest in Virginia and the company.

At this time, the Plains Indians hunted with spears, bows and arrows, and various forms of clubs.

The Plains Indians

What are the characteristics of these areas that lead most members of the class to identify them as part of the Great Plains? The settlers were demanding more food than his people had to spare, so the English were threatening the tribes and burning towns to get it.
