Cakes and Baking

She covers not only family favorites such as walnut cake, teacakes and buns but more modern popular cakes such as muffins. During the Second World War, she worked for the Ministry of Food in East Anglia and London.

The majority of pages are undamaged with minimal creasing or tearing, minimal pencil underlining of text, no highlighting of text, no writing in margins. The book has been planned to introduce the pleasures of baking in such a way that even a beginner should achieve successful results under the expert guidance of Marguerite Patten. We'll do our best to help locate the package, but we can't take responsibility for a missing parcel.
