## How to Pass Your Leadership Assessment Test?

A 2016 report released by the Department of Education revealed that in all but two states, spending on prisons is growing much faster than spending on public education, having quadrupled between 1979 and 2013.

## Arts education has positive impact on student behavior, career success, expert says

In schools targeted for whole-child supports, relative to the general student body, students are poorer, more heavily minority and immigrant, and more likely to be living in single-parent households.

## Boosting Test Scores: Strategies That Work

Researchers used test scores and student survey responses from an entire class of students enrolled in public schools in Chile during the 2012 academic year to reach their conclusions.

## Mindset a Key Factor In Student Success

The majority of income gains during this period went to the top 1 percent EPI 2013; Mishel and Schieder 2016; Saez 2016. We next offer a comparison of the results obtained when using the scale scores versus using the theta scores Appendix Table D2.

## School uniforms: Do they really improve student achievement, behavior?

They are appropriate for both cross-sectional and longitudinal analyses.
