### U.S. National Security and the Future

After decades of relative peace, at least compared with previous generations, the past couple of years have seen cross-border aggression in Europe, tensions between regional powers in the South China Sea, and an increased Islamic terror threat. But the global economy we live in today, where markets are recurrently disrupted by crises, requires strong hands, not laissez faire.

### What American foreign policy will look like in 2050

Walter Russell Mead: Do you see Taiwan relations playing a role in this at all? The anger of the forgotten that brought Donald Trump to power has not dissipated. Program Director led a discussion with Senior Fellow, and members of its Board of Advisors, Headmaster of the and Head of School at the. Biden would reaffirm commitments to NATO as a deterrent against Russia, maintain—and, perhaps, even strengthen—US sanctions on Russia due to its invasion of Crimea and eastern Ukraine, and work with allies to escalate pressure on Putin.

### 2020 election scenarios: Implications for American foreign policy

Under an America Engaged scenario, Biden would continue to support a more competitive approach to China, but with three likely differences from the Trump administration. Sections will include a public speaking exercise in the format of mock presentations to the.

### American Foreign Policy: Past, Present, and Future

Grading Policy Grades are based on: Course readings.

### Syllabus

Jake Sullivan: And in my own personal view, obviously, in this case, is that it aligns much more with the Democrats, which is actually the evidence is pretty clear when it comes to global trade and global finance that substantial adjustments are required. Mearsheimer: If you look at Afghanistan, which is another example, Candidate Trump basically said that he was going to pull the troops out of Afghanistan, because it is a hopeless cause—which of course it is. Is China destined to dominate Asia, and maybe the world? China Under a New Normal scenario, the Trump administration would continue its assertive posture on China, escalating competition with China across multiple domains.
