## A Guide to the Emily Dickinson letter to Mrs. Henry Hills, circa 1879 Dickinson, Emily, letter to Mrs. Henry Hills, circa 1879, A guide to M 235

Of these, 37 had significant pain lasting over 24 hours. Reprinted from the Journal of Agriculture of SA, February 1908.

### ABC Television

He became a feature writer, then News Editor, Assistant Manager and finally Promotions Manager. A 2004 review reported 46% of bites occurring on extremities of the limbs, 25% on upper arms and thighs, 21% on the trunk, and 7% on the head or neck. Skillings possession, was made by George Frisbie Whicher.

### Things to do in Adelaide

Colonies have also been established in greenhouses in Belgium, and isolated observations indicate possible presence in, the, and India.

### iview

Articles reprinted from various issues of Journal of Agriculture, SA, 1960—62; Mortlock pamphlet.

### Geohazards In Adelaide

The glass plate negative collection held by the History Trust of SA includes many interesting and rarely seen photographs of relevance to the history of agriculture. Consequently it was not until 1960 that one of his judgements was reversed on appeal to the Full Court.

### Facts about Adelaide for kids — kidcyber

After it moults into its last instar, it sets off wandering to seek a female. This included reclassifying the redback and several other species as subspecies of the best-known member of the group, the black widow spider, found in North America and other regions.

### **Bob the Railway Dog**

It kills its prey by injecting a complex through its two fangs when it bites, before wrapping them in silk and sucking out the liquefied insides.

### **Early South Australian Memories**

Radio 5CL, 22 August 1971, 5 pages. The information is sometimes updated with an addendum submitted by the Laureate.
