The Public Opinion Paradox

I mean a representation of the environment which is in lesser or greater degree made by man himself. . . A work of fiction may have almost any degree of fidelity, and so long as the degree of fidelity can be taken into account, fiction is not misleading. He is the creature of an evolution who can just about span a sufficient portion of reality to manage his survival, and snatch what on the scale of time are but a few moments of insight and happiness.

Anatomy of Deception and Self

But what is public opinion and how are these premises related to the Israeli- Palestinian conflict resolution process? If his maps include a fountain of eternal youth, a Ponce de Leon will go in quest of it.

The Public Opinion Paradox

At the international level, governments seek to maximize their degrees of freedom to satisfy domestic pressures while limiting the harmful impact of foreign developments. Yet this same creature has invented ways of seeing what no naked eye could see, of hearing what no ear could hear, of weighing immense masses and infinitesimal ones, of counting and separating more items than he can individually remember. Different facets of public opinion can work in different ways to influence policy makers' decisions.
