**Touchstone Archives: July/August, 2009**

I find no meaning in the catholic faith. This book puts more emphasis on what is wrong with Church, and offers little The biggest strength of this book is that 37 people are interviewed, which provides the reader with a wide range of perspectives.

But I think it suffered a lot from its presentation. The book really seems to represent the views of American lay Catholics even the religious and members of the clergy in the book speak from their experience rather than from their expertise. On October 9, 2018, all remaining charges against Hernandez were dropped on the condition he attend college.

I thought I would be interested, but it just reminded me about how annoying I find the whole Catholic faith. In a court appearance on July 17,

2012, Kennedy said local hospital tests found no traces of drugs and that her doctor believed she had suffered a seizure.
