The place of publication and the name of the publisher are given in romanization alone, but a separate listing within each bibliography gathers together the names of the publishers, with the characters used in writing their names. A critique of main elements in the theory of dozoku groups as heretofore construed, respectively, by Kitano Seiichi, Oikawa Hiroshi, and Ariga Kizaemon; indicates point of mutual influence in their interpretations, shows how these interpretations derive from research data, and proposes research to resolve points of uncertainty. The first, it is said, no longer has the same penetrating strength that he had shown in Bokuto kidan Strange story east of the Sunida River, and Tanizaki, after producing Sasameyuki The delicate snow and Shosho Shigemoto no haha The mother of Lesser Commander Shigemoto, wrote a work entitled Kagi The key in which a middle-aged man, fearful of his loss of virility, and his over-sexed wife, who seeks the company of a younger man, write

out their stories in a pair of diaries that are alternately quoted.

UHM Library : Japan Collection New Acquisitions

This and the following item preceded the Tosho Kenkyukai's Sogo shuppan nenkan. To avoid confusion over the basic form of place names for users not fully familiar with Japanese forms, we transcribe the basic name, then add separately any suffix showing its administrative category. Writers of every persuasion, including those who had languished in prison during the war years and those who had maintained a silent loyalty to literature as an art once more resumed their work.

N no Tame ni (2014)

Prestige publications in expensive format. At the beginning, Mingei appeared to be only a chance assemblage of actors, but it has now settled down to a fixed program of production. Includes 20 page bibliography of physical anthropology.
