Why should Chinese-speaking believers in Islam constitute a separate ethnic group when believers in other religions of foreign origin Buddhism and Christianity, for example do not? Historic tombs reflect concerns that put local Hui identity in an international perspective; Sufi tombs link the Hui in national networks and often divide them regionally; and local tombs evoke interests that are more communal, reflecting practical concerns and personal identities. This article stories the environment within which the CEAD hui 2018 was held.

**Reports: 'Shanghai Xiecheng shang wu you xian gong si'**

Além das atividades realizadas em sala de aula, oportunizamos aos alunos vídeos e material impresso sobre a técnica proporcionando condições de aprofundamento e estudo também no ambiente extra-escola. Cognition and pain disabilities appeared most dysphoric.

**Articoli di riviste: Chaozhou gong hui lian he**

Based on this situation, the author believes that the Hui-style architecture would be in its original appearance in front of the word in the near future if the scientific research and proper reinforcement measures were adopted for the reinforcement of the Hui-style architectures.
