## Chapter 7. Travel Services

The website of another reserve, the Nashulai, is emblazoned with a plea for donations to combat starvation among the communities that rely on it.

### Introduction to Tourism and Travel

The world's largest form of mass religious tourism takes place at the annual Hajj pilgrimage in Mecca, Saudi Arabia.

### The end of tourism?

In 2009, international tourist arrivals fell by 4% as a result of the global financial crisis. Something similar, incorporating not only environmental harm but also wider cultural degradation or damage to way of life, might become the guiding principle of a properly sustainable tourism industry.

### Travel and Tourism Industry; An complete Overview of All Activities

MySpace's success has spawned a host of similar sites, some of which are specifically aimed at travellers. These tourists prefer to stay in some quiet and relaxed destination preferably at a hill resort, beach resort or island resort.

### The end of tourism?

It also tried to push visitors to specific areas, including the Lower Fraser Valley, the Okanagan-Fraser Canyon Loop, and the Kamloops-Cariboo region Dawson, 2004. Trapped in close proximity to their fellow passengers, holidaymakers experienced the distress of being both victims and agents of infection, as a succession of ports refused them entry.
