

Handbook of naturally occurring compounds with antioxidant activity in plants

Nova Science - The Handbook of Naturally Occurring Insecticidal Toxins

Description: -

-
 Plant Preparations -- pharmacology.
 Antioxidants -- isolation & purification.
 Antioxidants -- therapeutic use.
 Plants, Useful -- Handbooks, manuals, etc.
 Antioxidants -- Therapeutic use -- Handbooks, manuals, etc.
 Handbook of naturally occurring compounds with antioxidant activity in plants
 -Handbook of naturally occurring compounds with antioxidant activity in plants

Notes: Includes bibliographical references and index.

This edition was published in 2006

Filesize: 32.78 MB

Table of contents for Handbook of naturally occurring compounds with antioxidant activity in plants

These substances have been classified by chemical groups and each provides the information of its pharmacological activity, action mechanism, chemical structure, spectroscopic data and other properties. Chemical structures have been drawn to indicate the stereochemistry. A comprehensive review of the subject, this book forms an important source of information for researchers and students of crop protection, pest control, phytochemistry and those dealing in insect-plant interactions.
