Haileah Market: Originally built by the SAL, used as a Tri-Rail stop.

Charles Clinker Collection

The signalbox numbered 2 on the plan was resited in from the up to the down side when the level crossing was reduced from two tracks to one. A footbridge was also installed at the southern end of the platforms. Hallandale: The former FEC freight and passenger depots here still stand, both

privately owned.

Disused Stations: York (old) Station

On 31 July 1854 the YNM and the GNER along with other companies merged to form the North Eastern Railway NER. The grand buildings we remember so well today, places like Los Angeles Union Passenger Terminal, Chicago Union Station, Grand Central Terminal, Boston's South Station, and Seattle's King Street Station often receive the greatest attention in literary circles.
