**A Lost Decade in Higher Education Funding**

Most nonresident graduate students are able to establish residency after one year, thereby limiting their numbers.

**Budget Analysis and Planning**

This type of allocation process rewards

those academic units that are most popular with students, and therefore does provide flexibility to fund those programs that are most in demand.

Each Segment Charges Different Tuition and Fees. Key Issues Before the Legislature. Project Rebound Provides Support to a Group of Students Facing Notable Challenges.

## The 2019

The share of students coming from communities of color at public two- and four-year colleges rose significantly in the years leading up to these tuition increases. These cuts partly reflected policymakers' decision to rely overwhelmingly on spending cuts rather than revenue increases to make up for lost revenues.
