## Silan Kadirgamar: The Left Tradition in Lankan Tamil Politics

His obstinacy, at an earlier period of his reign, had been the main cause of the loss of the American colonies.

## Sri Lankan Tamil Struggle Chapter 20 Birth and Death of Jaffna Youth Congress (continued) T. Sabaratnam

They never wanted to part with either.

## Like A Morning Star: Small of Richmond

The separate introductions by S.

## Full text of of Sir Philip Francis, K.C.B., with correspondence and

The uniting effort of people as one nation in the country for a long time has been negatively motivated by a divided school system promoting notional differences in society, and many political, religious leaders have been making public speeches, and talking without practical actions to eliminate the problem. He had won twelve or fourteen thousand pounds at whist, and then, apparently, desisted from high play.

## LankaWeb

In 1983 the parties that had branches in Jaffna were the Lanka Sama Samaja Party, Communist Party, Nava Sama Samaja Party, Ceylon Mercantile Union, Communist Party Beijing, Communist Party Shanmugathasan Wing, Revolutionary Communist League and the short lived Revolutionary Marxist Party. All in favour of the Zemin- dars, and to reUeve the natives.
