### The Story of One Prison Rape, In an Inmate's Own Words

This report represented approximately

26,550 adjudicated youth held nationwide in state operated and large locally or privately operated juvenile facilities. Following the 2009 presidential election, Iranian presidential candidate said several protesters held behind bars in Evvin Prison had been savagely raped, according to a confidential letter to former president and cleric. Screening for youth was supposed to be part of PREA implementation, but there were signs that this was not necessarily working.

### Understanding Rape in Prison

Additional barriers faced by youth include: lack of experience in the corrections setting, and a common fear and mistrust of adult authority figures. As already discussed, trading sex for protection also occurs.

### PRISON RAPE: Hungry Beast, ABC1 on Vimeo

It is impossible to know how many of the teenagers sent to adult prisons in recent years have been sexually assaulted, in part because so many of them have been afraid to report. Particularly noteworthy is the fact that the number of racial and ethnic minority women incarcerated far exceeds their representation in the general population.

### **How To Not Be Sexually Assaulted and Raped By Other Prisoners**

Caption In 2003, while John was still in elementary school, Congress passed the , now usually known as PREA.
