## 110 Walk Like an Egyptian ideas

We may see here the beginning of a mixed Greco-Egyptian style, which was soon to disappear when the Romans conquered Egypt.

## 900+ Egypt ideas

May her soul live forever before Osiris-Sokar, the great god, the Lord of Abydos. Detail of an exquisitely crafted New Kingdom death mask of an unknown man.

## Brooklyn Museum: Egypt Reborn: Art for Eternity

British Museum, London Stela of King Qahedjet Third Dynasty Fine-grained limestone Musee du Louvre, Paris Relief block with the figure of Aa-akhti Late Third Dynasty Fine-grained limestone with traces of paint Musee du Louvre, Paris Horus on the left and Anubis, the god of cemeteries and embalming THE THEBAN TOMBS The pharaohs of the 18th dynasty, originating from Thebes, chose the left bank of the Nile as their heavenly resting place. Much of this remains at the root of art today.

## Fayum Mummy Portraits: Striking Ancient Egyptian Paintings

All three 1st century AD. Mummy masks and coffins were covered in gold, to indicate that their flesh was, like gods, eternal. This was effectively the first great state, with numerous cities including Memphis, where the king resided.

## 900+ Egypt ideas

The first bishop of Philae, Macedonius, is said to have engaged in a bold move of iconoclasm to impose his religious views on the region.

## A LARGE EGYPTIAN WOOD FEMALE FIGURE

Uret es uno de nuestros relieves favoritos.
