## • Population of France 1700

On May 14, 1955, the Warsaw Pact cemented its place within the Eastern bloc. In February 1875, a series of parliamentary acts established the.

169031

The major postwar success story was , which lacked any political agenda and was dedicated to providing a mix of sensational reporting to aid circulation and serious articles to build prestige. Most important in restoring prestige was a strong emphasis on the growing French Empire, which brought prestige, despite large financial costs.

169031

Dynamic map of the European frontiers of France from 985 to 1947.

## • Population of France 1700

Jaroslav Kaczynski ran for president that year but lost to liberal candidate Bronislaw Komorowski. Later, the Panama scandals also were quickly criticized by the press. Increasingly after 1870, the stores' work force became , opening up prestigious job opportunities for young women.

## Poland since 1918: a turbulent century

One out of two was born in Europe and one in three in Africa.

## All you need to know about the First World War in France, 1914

France had to accept the terms imposed by at the , which was signed on 22 June 1940 in the same railway carriage in which the Germans had signed the on 11 November 1918. They had, it is true, to face up to the formidable challenge with which they were presented. Meanwhile, large swaths of northeastern France fell under the brutal control of German occupiers.

## **100 Years Later: Major 1918 Events Mapped Out**

Germany set up vigorous measures of public hygiene and public sanatoria, but France let private physicians handle the problem.
