## Pediatrics

Numerous flow charts and tables are included. Retrieved Feb 12 2021 from 9780781782517 Blueprints pediatrics, 5th ed. These resources will be useful to faculty when determining which other supervised clinical education experience objectives may require additional assessment tools.

## **Blueprints pediatrics, 5th ed.**

PAEA End of Rotation exams are a set of objective, standardized evaluations intended to serve as one measure of the medical knowledge students gain during specific supervised clinical practice experiences. Although it's certainly not exhaustive, the book provides a brief usually 2-3 pages discussion of a disease, its presentation, the differential diagnosis, and its treatment. Case-based vignettes clarify clinical application of key concepts.

## **Blueprints Pediatrics / Edition 6 by Bradley S. Marino MD, MPP, MSCE, Katie S. Fine MD**

Each chapter is brief, written in narrative format, and includes pedagogical features such as bolded key words, tables, figures, and key points. Blueprints Pediatrics 7th Edition 2020 Attention Please Disclaimer This website strictly complies with DMCA Digital Copyright Laws.
