Greater Middle East may force China to project military power sooner rather than later

Previously he served as the paper's deputy foreign editor and assistant editorial page editor.

Turkey's Geopolitics and the US 'Greater Middle East Initiative' — Strategic Culture

Climate change is expected to put significant strain on already scarce water and agricultural resources within the MENA region, threatening the national security and political stability of all included countries. They cite deep unease over the absolutist posturing of Gulf antagonists, the destabilizing impact on already fragile countries across the Middle East and Africa, and the unintended consequences for shared concerns such as Iranian expansionism. In sum, things may turn out well in the region, or they may not.

Greater Middle East may force China to project military power sooner rather than later

With the exception of Cyprus, Turkey, Egypt, Lebanon and Israel, tourism has been a relatively undeveloped area of the economy, in part because of the socially conservative nature of the region as well as political turmoil in certain regions of the Middle East.

Greater Middle East

Separatists from South are also beneficiaries of this scheme.

The Greater Middle East

Translations There are terms similar to Near East and Middle East in other European languages, but since it is a relative description, the meanings depend on the country and are different from the English terms generally. The accumulation of bad news could ultimately trigger regime collapse in major states such as Egypt, Saudi Arabia, Turkey, Iraq, and Iran.
