## Mathemateg

Overall applications for institutions in Wales were generally similar to those in the previous year. Here I note that in relation to vi we have now received the condition survey on the whole of our estate, and in common with most other institutions we have a serious backlog maintenance problem.

I cannot predict the likely timescale of a response from the WAG, but we shall proceed as rapidly as possible, in particular in the appointment of a project Director. Our work in relation to Welsh medium education continues.

## Mathdonic 8

I would like to pay tribute to the work of our own Centre for Welsh Language Services, whose work provides valuable support to academic departments and central service sections in their activities. Fee loans would be repaid on a graduated basis in accordance with the ability to pay. Full responsibility has already been devolved for the standard and quality of awards: hence our application for Degree Awarding Powers.
