## Mark Twain And His Masterpiece: The Adventures Of Huckleberry Finn

Over 500 pairs of glasses from many periods are on display and there are hands-on activities for the kids.

### Samuel Langhorne Clemens (Mark Twain)

Seeing his grief, his mother took him by the hand and led him into where his father lay. When Twain was 4 years old, his family moved to the Mississippi River port town of Hannibal, where John worked as a lawyer, storekeeper and judge.

### How Mark Twain's Childhood Influenced His Literary Works

Like Twain, Sawyer had worked on riverboats in his youth, and the pair bonded over a series of drinking benders and gambling adventures in San Francisco, Nevada and elsewhere. The two were quite close, and when Twain began training as a riverboat pilot on the Mississippi, he encouraged Henry to join him.
