For further enquiries on the programmes, please email us at. Conclusion: The study provides some evidence that creative workshops in the classroom can have a beneficial effect on the self-esteem and symptomatology of immigrant and refugee children from various cultures and backgrounds.

FTC Releases Agenda for Workshop on Children's Online Privacy Protection Act Rule

Singapore Extended specially in 2013, Read! In this full-day workshop, we will focus on the unique technical and empirical challenges of designing and conducting child-agent interactions. Led by Arielle Julia Brown, co-creative producer of Remember 2019, social practice artist and facilitator, and Mauricio Tafur Salgado, co-founder of Artists Striving to End Poverty, co-creative producer with the Remember2019 Collective, and Assistant Arts Professor at New York University. Our primary goal is to provide an opportunity for an interdisciplinary debate about the present and future of child-agent interactions.

National Library Board > What's On > Programmes > Programmes for Children

Participants are encouraged to bring whatever fragments you can gather of your genealogical and geographic history for this interactive process.

National Library Board > What's On > Programmes > Programmes for Children

What can Hip Hop offer us as an aid to addressing poverty? These interactive sessions will draw on the experience of 50 years of movement building that involves neighborhoods, organized labor, churches and other faith-based institutions, truth and reconciliation initiatives, and work with gang members.
